AMENDMENT

Hon. Assistant Commissioner for Patents
Washington, D.C. 20231

In response to the Office Action dated March 29, 2002, please amend the above-identified patent application as follows:

IN THE CLAIMS

Please cancel Claims 17, and 20-26.

sub. B1
1. A phone-interface device, comprising:

a receiver configured to receive a wireless signal from a control panel, wherein the wireless signal encodes information regarding a sensor event;

A1
a phone port configured to connect to a telephone line and to receive configuration data from the monitoring station; and

a power supply comprising a telephone line.

8. A phone-interface device, comprising:

A2
a phone port configured to connect to a telephone line and to receive configuration data;

CNt.
a transmitter configured to send the configuration data via a wireless signal to control a control panel; and
